

The Third International Conference on Computer Networks & Communications (CoNeCo-2011)

(In Conjunction with [WiMo - 2011](#))

Venue : Ankara, Turkey, June 26~ 28, 2011

The conference looks for significant contributions to the Computer Networks & Communications for wired and wireless networks in theoretical and practical aspects. Original papers are invited on computer Networks, network protocols and wireless networks, Data communication Technologies, and network security. The goal of this Conference is to bring together researchers and practitioners from academia and industry to focus on advanced networking concepts and establishing new collaborations in these areas.

Topics of interest

Authors are solicited to contribute to the Conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the Computer Networks & Communications. Topics of interest include, but are not limited to, the following

<ul style="list-style-type: none"> • Network Protocols & Wireless Networks • Network Architectures • High speed networks • Routing, switching and addressing techniques • Next Generation Internet • Next Generation Web Architectures • Network Operations & management • Ad hoc and sensor networks • Internet and Web applications • Ubiquitous networks • Mobile networks & Wireless LAN • Wireless Multimedia systems 	<ul style="list-style-type: none"> • Wireless communications • Heterogeneous wireless networks • Measurement & Performance Analysis • Peer to peer and overlay networks • QoS and Resource Management • Network Based applications • Network Security • Self-Organizing Networks and Networked Systems • Mobile & Broadband Wireless Internet • Recent trends & Developments in Computer Networks
--	---

Paper submission:

Authors are invited to submit papers for the Conference through [Easy Chair submission system](#) by January 30, 2011. Submissions must be original and should not have been published previously or be under consideration for publication while being evaluated for this Conference.

The proceedings of the conference will be published by Springer (LNCS) in Communications in Computer and Information Science (CCIS) Series (Confirmed). Selected papers from CoNeCo-2011, after further revisions, will be published in an International Journal (Pending).

- International Journal of Wireless & Mobile Networks (IJWMN)
- International journal of Computer Networks & Communications (IJCNC)
- International journal of Network Security & Its Applications (IJNSA)
- International journal of computer science & information Technology (IJCSIT)
- International Journal of Database Management Systems (IJDMS)
- Computer Science & Engineering: An International Journal (CSEIJ)

Important Dates

Paper Submission Deadline: 30 January, 2011

Paper Status Notification: 25 February, 2011

Camera-ready Due: 25 March, 2011
